

The gift of Song

A personalised concert for your loved ones

Kylie Cooper

Celebrate in style someone you love by giving the gift of song.

Kylie Cooper has a unique ability to weave stories with in her performances that bring to life her songs. Kylie can create a personalised concert for your loved ones special birthday anniversary or occasion by learning a few things about them.

Simply tell Kylie their occupation, favourite activity, favourite style of music or song, cultural background or country of childhood, and Kylie will blend this information to create a unique 1 hour concert that is memorable for family and friends, providing a personal touch for residents of nursing homes and age care facilities. Kylie is available solo or with an accompanying guitarist. Other musicians can be arranged if a larger accompaniment is required.
